	Class days - 22
	Observation days - 4
	Sundays - 4
	Other holidays - 4
	Total no. of days in the month - 30

● Teacher will have to conduct each lesson in every class keeping in mind the expected Learning Outcomes.

● Teacher will design lessons conveniently for differently abled children and transact accordingly.

● Along with other community members teachers, students will keep their homes, schools and surroundings clean by throwing wastes in dustbins or in pit holes.

● It is our duty to be aware and help children, elders and differently abled persons while walking and crossing roads.

● Health and sanitation related provisions in school: One or more students of the Student Parliament will be appointed representatives to look after the overall health and sanitation related provisions in the school. They will make sure that everyone gets pure drinking water, clean toilet and urinals, hand wash, soap, dustbins, a clean school campus, and also clean classrooms and the clean Teachers' Common Room. In this way, the overall cleanliness of the school can be maintained. The responsibility of the Student Parliament will keep on changing every now and then. Such measures in a healthy environment will accelerate the comprehensive development of the students and every student will feel proud to be a citizen of a clean country.
