

## **Twining of School Programme**

Twining or Partnership programme are set up to twin schools from very different environment aimed at bridging gaps, facilitating dialogue and encouraging the understanding of customs and cultures through education. **Twining of Partnership between Schools Programme** has provided a one common platform to all the children of the twinned schools so as to enable both the partner schools to adopt best practices from each other.

Under twining of school programme, total **45452** schools of the State have been covered out of which 4777 number of private schools have been twinned 4777 number of Government schools. Twining between Government- Government schools is 35898 schools.

The twining between Government school with Government school has been done based on Gunotsav 2022 results i.e between schools attaining A+ and A Grade with the schools attaining B & C Grade in Gunotsav 2022 so that the partnership can be utilized for good performing schools to support schools with specific needs .

**Twining of School Programme has emerged as one of the best practice of the State and it has been successfully implemented without any financial involvement or budget allocation.**

The twinned schools had jointed collaborated and have conducted the following activities:

1. Sharing of information related to enrolment, teacher position, infrastructural facilities, available resources, school development priorities, performance of the students of the schools etc.
2. Students exchange programme (Hoisting of government school students by private school students and vice-versa).
3. Sports, Cultural Programme between twinned schools.
4. Seminar on academic areas/ Science demonstration programme
5. Joint Celebration of Children's Day.
6. Environmental awareness programme/cleanliness drive etc
