OoSC survey 2017

Identification of fresh out of school children (OoSCs): (Data digitization with Photograph): Survey for identification of Out of School Children was carried out along with UDISE. Survey was conducted in all habitations of the State. Survey format was developed and provided to all Districts for Survey of each and every habitation. It was not just survey of out of school children but also collection of photograph of identified out of school children. This is the second year this initiative has been carried out in the State. It is one of the Best Practice of Assam.

Wall Magazine at RSTC- Dimoria, Kamrup (M) and Bhawanipur & Bhaktardaba RSTCs inaugurated by Sri Aswini Kumar, IAS, Deputy Commissioner, Barpeta.

Observation of Special Days at NRST Centre, MIGTRATORY Centre, RSTC and at Religious Madrassa:

To commemorate Special days and to celebrate festival programmes were conducted at centre level. These programmes were organized with the help of Education Volunteers supervised and supported by District Quality Managers (DQMs) and District Programme Officer (DPO)-Special Training. The programme like Independence Day, National Education day/Children Day, Teachers Days, State festivals like Bihu, and Republic Day etc were celebrated in all Special Training centres viz, RSTCs, NRSTCs (Rural & Urban), Support to Religious Madrassa interventions etc.

Independence Day Celebration at Religious Madrassa intervention

Independence Day Celebration at Seasonal Centre for Migratory learners.

SELF DEFENCE PROGRAMME FOR GIRL'S RSTC:

The Self defense training for Girl's RSTC is organized as per POA, 2016-2017 for 90 days w.e.f. 2nd February 2017 up to March 2017.

Health Check up programmes in RSTCs :

During the financial year 2016-2017, the health checks up programmes were conducted for learners of Special Training intervention. The health checks up programmes were conducted in convergence with the National Health Mission (NHM) and Public Health Centre (PHC). After the enrolment all RSTC learners had to undergo health check up and followed by periodical health check. The para-medical personnel are invited to the Special Training Centres for health check up of learners. During this programme not only the health check up of learners takes place also awareness on health and hygiene is imparted to all learners by the visiting team.
