

## Success Story / Case Study

### **Mainstreaming of Miss Kanika Basumatary, a MD Child in Ashrabari LP School after given Home Based Education**

Kanika Basumatary, age 9 year, is a multipul disability (CP with Mild MR) girls. She was at home in unhygenic situation in absence of trained person. Her intellectual development & movemnet has been delayed since birth. Her Mother Dangsri Basumatary resident of village –Ashrabari, Borobazar had admitted Kanika in to Ashrabari LP School in 2013 . She was admitted in (KA) Sreni. But due to ignorance of parents, Teacher and peer group she drop out from same class in 2014.

### **HBE by RP**

After given Home Based Education (HBE) to her by Resource Person for a period of 3 months she mainstreamed in (KA) Sreni in the same school in 2015. The peer group of Kanika has been sensitized through special awareness campaign at school level. Now she can follow the general classroom transactions. Her family is now happy with her success.
